

6ft Wide Bromley gable

Eaves, ridge and door height

A standard 6ft wide Bromley has 5ft 6" eaves and a ridge height of 7ft 6". The height of a door is 1890mm as standard.

For a Bromley with 6ft eaves, the ridge height would be raised to 8ft.

If you require a door on the long side of your greenhouse, this would raise the eaves height to 6ft 6" and the ridge height to 8ft 6".

****Please note dimensions are approximate****
